Stroll for Your Soul (Group)

This popular program offers 21 days of accompaniment through a brief email delivered early each morning to your inbox. Each email offers a practice, or a reflection, or a poem or photograph giving direction to your time spent walking or jogging or biking. With the group package, you can register as many friends, family, or congregational folk as you wish with a simple sign up. Stroll has been offered as part of Christian formation, used in hospitals, nursing homes and gifted to groups of friends.

Free Customization for Pastoral Visiting Cards (coming soon to the Prayer Bench Shop)

If your church orders Pastoral Visiting Cards (sold separately), the Congregational Package offers free customization of these ready-to-print files for postcards that visitors share during pastoral visits. Subscribers of the Congregational Package may customize the Pastoral Visiting Cards with church name, logo, and contact information.

**The Personal Email Retreats are intended for use of the person who subscribes for the package. However, permission is granted to subscribers to share (with attribution) some of the*

*contents within their worship services, congregational newsletters, and small groups. The Personal Email Retreats may **not** be forwarded (this can result in accidental unsubscribing, which is challenging to remedy.) **CONGREGATIONAL subscribers** may submit up to five names/emails, per retreat, at no additional cost. If there are more than five people from the congregation interested, please contact me for a congregational price for the Email Retreats.*
